

**HARD** EVENT SUMMER ACTIVITIES HIKING

## TOUR DESCRIPTION

The Gold Route of 'Hike the Valley' is approximately 23 kilometres long and has an elevation gain of around 1,100 metres.

For all ambitious and experienced hikers, this route is a personal challenge amidst the beautiful nature of the Kleinwalsertal valley. Inspired by the unique atmosphere of the event, experienced hikers can surpass themselves on this particularly physically demanding route and be proud of themselves at the finish line for having conquered the royal route. The route is aimed at experienced hikers. It requires a head for heights and sure-footedness. After starting at the Walserhaus in Hirschegg, the route leads via Rohrweg and Schöntalweg up to the Heubergbahn mountain station and on via the scenic Oberer Höhenweg. It continues at the foot of the Ochsenhofer Köpfe to the summit of the Grünhorn. From there, the route descends into the Schwarzwassertal valley and back to Hirschegg.
